

Traffic Control- Outdoor Logistics Liaison Job Description

Summary

This year, we will be utilizing more of the outdoor spaces at Pioneer High School. We will be providing each individual school with parking spaces to use as their home bases and school check in points. We will also be holding the award ceremonies under a large tent and restricting access to the building including the use of the rest rooms. In order to safely execute the tournament, we will need a person monitoring these outdoor spaces and bringing any issues to the attention of the WESO board.

Tasks

Individuals in this newly formed position will work with committee members to

- Help set up outdoor spaces and display signage.
- Monitor traffic and ensure that traffic cones remain in place
- Monitor the portable toilets outside and notify the WESO board if they are in need of attention.
- Work with security guards on tournament day.
- Ensure that only the designated entrance and exit to the building are being used.
- Ensure that the outdoor areas are left in expected condition.

Requirements

This position requires extensive walking. A large part of the day will be spent outside. Familiarity with Pioneer High School is not required.
