

Which event are you asking about?	What is your event-related question?	Answer
Pentathlon	Will we be told the type of math problem before choosing which student is assigned to specific physical tasks? ie addition, fractions,	No. Every team will get the same five questions but the order they get them might vary.
Pentathlon	Is there a video of this event we can watch somewhere to give the kids an introduction?	There is a video of event supervisors previewing last year's course embedded in the current Pentathlon Event Coach Presentation.
Pentathlon	Tournament is in May (this year) instead of June (last year). Is the grade level appropriateness of math problems scaled to the expectations for year end learning or mid year learning?	All questions are reviewed by an elementary school teacher and they will be appropriate for the part of the school year.
Pentathlon	Do the kids tag their teammate when they finish their math question?	No. Timekeepers will let the next participant know when to start their activity.
Pentathlon	All 4th Grade math questions will be word problems? Will any of the word problems be multi-step?	No, they will not all be word problems. They will not necessarily be multi-step.
Pentathlon	Where will the recording of this meeting be available? I had to miss the first part.	WESO website
Pentathlon	Is it referee's responsibility to signal the next teammate to start his/her activity?	Yes, it's the referee's responsibility.
Pentathlon	When participants are waiting for their teammate to complete their physical challenge and math problem, will they be at their physical challenge or will they be sitting on the sidelines and need to run to their challenge?	Students waiting for their teammates will be stationed at the beginning of their physical activity, indicated by a starting line.
Pentathlon	Can the next kid start when they see the previous teammate put down their clipboard or do they have to wait until they are told to begin by the timekeeper?	No, they must wait for a signal from a referee/timekeeper.
Pentathlon	Is the total team size 5? Or is it up to 5 per grade?	Your team must have five participants.
Pentathlon	Can grade 3 kids participate in grade 4 event in case one is oversubscribed and another is under subscribed?	Yes, 3rd graders may participate in the 4th grade event. In general, students for all WESO events can participate up one grade level as long as they do not compete in that event for 2 grade levels.
Pentathlon	How the station for each participants assigned?	This is up to school coaches to decide in advance after seeing the preview video.
