

# ***RAFFLE FUNDRAISER***

PARTICIPATION IS REQUIRED

Raffle Event: Each year the WESO organization conducts a raffle fundraiser on the day of Science Olympiad. Raffle proceeds are used to fund workshops, open events, learning tools allocated to schools, and to fund general WESO expenses.

Your School's Raffle Basket Contribution: Each participating school is required to participate in the raffle by contributing a themed basket with a fair market value of approximately \$100. This threshold allows us to keep the ticket prices consistent with value of the baskets. (1 ticket - \$5; 3 tickets - \$10 and 7 tickets - \$20). Themes can be anything you wish such as: family game night; movie night, Go Blue, gourmet, gardening, etc....

This is an important fundraiser and your school's participation is critical to its success.

## **Raffle Coordinators Responsibilities**

- Each school will designate a Raffle Coordinator. This person will log onto the sign-up genius link and indicate their school's basket theme. If Raffle Coordinators are targeting businesses for donations, please plan on adding that information on the sign-up genius to reduce overlap.
