

Question 1	Response 1	Question 2	Response 2	Question 3	Response 3	Question 4	Response 4
What is the maximum number of team members for Mystery Architecture?		2 What does a score 1711.00 mean for Mystery Architecture?	Please ask in the Discord channel.	Can you share some examples of past years' Mystery Architecture materials that were given to the students on competition day?	Please refer to the detailed event description	Can the students video-tape their event?	No
Where will the coaches wait during the competition?	Coaches or parents will bring team ~15 minutes before the event start time to academic check in. Volunteers will pick up students and bring them to the room. When students complete the event they will go with a volunteer to the exit. Most coaches wait in the cafeteria with homeroom table until event ends. There is good signage at the event to direct you where to go.	If the team is made up of one student (as shown on your chart teams are made of 1-2 student), will the student be alone with other adults in the competition room?	Students will be participating with other teams from different schools. There will not be a 1:1 scenario with adults and students.				
How does reading student IEPs by third parties comply with FERPA? (Student privacy).	The basis of the need for verification of accommodation comes from the fact this is a competition and we cannot provide accommodations without some type of verification. We will do what we can to preserve privacy (names redacted from IEPs etc.)						
When supervisors update their event info will there be a way to communicate this out, maybe in discord chat so we all have equal opportunities to get the most updated information without having to check constantly?	We cannot guarantee this will be posted in discord, we will try but the website will be the main place to check.	Will individual events have their own discord chats again?	Yes				
The Mystery Architecture link to the ZOOM recording on https://wesoscience.org/mystery-architecture/ does not work. Could you please make it available?	We will update!						
will the slides presented tonight be available for us?	Yes						
What is the difference of 2nd and 3rd grade for the same event (like aerodynamic)? Are there any more requirements?	Not usually major differences in building events. The differences in grade levels are often explained in the detailed event description						
in photon pun, how is the the targeting vs the test question weighted? is it 50%/50%?	Please ask in the event meeting						
Will they have access to plain paper and pencil to record reading, plans observation during the final competition?	Students will have the all materials needed for that event. If there are items to bring, it will be listed in the event description.						
I have kids in both Geology Rocks and Feathered Friends. How can they participate in the workshops for both?	There are multiple sessions throughout the day for most of the events (except for the bird walk)						
Where do the practice events take place with the zip-it frame?	Workshop location is TBD						
Will today's slides be shared with the audience? Thanks!	yes						
Why is Circuit Wizardry grayed out under the events section on WESO website?	Event descriptions are not available yet						
If a kid is participating in the same event as a previous year, does the difficulty change as kids get older?	In general, difficulty level increases with increasing grade level						
I did not see a link for Feathered Friends. Is there a separate meeting scheduled for that event?	They have not signed up for event meeting yet						
What is the recommendation on asking students for homework or sharing some learning YouTube videos?	Depends on the group you are working with and how they would respond to that. There are great resources available on the web and you should use whatever helps. Sometimes videos may cover information that is not required for the event.	What are the rules for last minute substitution for team member who is not able to make it	They are allowed to make swaps as long as they meet the grade requirement				
How many teams will there be	It depends on who signs up for the events. There are about 40 schools registered.						
Will there be a sensory/quiet room where participants can stay while waiting for their event?	Yes, a quiet room will be available. There will be a list of students submitted by the head coach.						
I know the recording of this meeting can take a weekish but can the slides be shared sooner?	Yes
