

Question 1	Response 1
Do you provide pastas and clays? if not, do get to reimburse?	The materials on event day will be provided. Play doh will be available at supply pick up, but pasta and additional play doh for practices will not be provided
Can we alternate the form of provided pastas? Eg. break long pasta into shorter pieces	Yes , both the short and shaped pasta can. If an issue is with the pasta you can exchange it before the bridge building starts
is the bridge support the same dimensions as last year ?	Yes
can one piece of pasta be broken into smaller pieces?	Yes
how many practices are recommended for this event?	About 6 weeks but up to you!
Do we know the brand of the pasta on the day of the competition to practice using the same one?	Barilla
Just to clarify, if the highest portion of the bridge is closer to one side and not on the center, would that be ok?	The cup is placed at the highest point not above the wooden area (e.g. 12 cm gap). The highest point may not necessarily be in the center of the bridge.
Kids are divided by age? Would we place 3rd graders and 2nd graders together?	2nd grade will compete in 2nd grade competition. 3rd grade will compete in 3rd grade. But you can practice together
